D. R. HALTIWANGER, Assistant Editor.Entered at the Post Office at Lexington,
S. C., as second class matter.

CIRCULATION 2,300.

You can't keep an honest working
man down.Lexington farmers are going to cur-
tail—from necessity, if not from choice.Standby your town and she will
standby you.Everybody should have a great
Easter. Eggs are comparatively
cheap and the old rabbits will do their
best.A little more work and a whole lot
less grumbling will make things come
around all right.Do not knock a fellow when he is
down, especially when that fellow has
been a friend to you in times of need.We wish Governor Blease would
send one of his secret service agents
down this way to spy out the blind
tigers.—Orangeburg Times and Demo-
crat. Same thing here.Everybody in Lexington is glad that
H. C. Van Ormer & Son have secured
the contract for the new home of the
Home National Bank. They are most
delightful gentlemen and we rejoice
that they are to remain with us for
another season.

Baptist Union To Meet.

The lower Union of the Lexington
Baptist Association will be held with
the Florence Baptist church on Satur-
day before the fifth Sunday in March.
Following is the programme:10 a. m.—Devotional services and
enrollment of delegates, reports from
churches and election of officers.First topic, "What Does the Word
'Salvation' Mean and How is it Ob-
tained?"—J. C. Holley and H. V.
Rish.Second, "What is the Evidence that
one is in a State of Salvation, or What
is a Christian?"—A. L. Rogers, W. T.
Smith.Third, "What did Paul Mean by the
Words 'I am debtor both to the Greeks
and to the Barbarians,' as recorded in
Romans 1:14?"—L. T. Carroll, R. J.
Fallaw.Fourth, "Is the Gospel to be Preach-
ed to all the World, and if so, by
Whom is it to be Done?"—B. I. Rey-
nolds, Manly Haye.Fifth, "Is There any Reason Why
Baptists Should be Better Informed
about Missions than other Denomina-
tions?"—W. C. Baxley, Bennie Wil-
liams.Sixth, "What Does the Scripture
Teach concerning the Motive, Method
and Measure of Christian Giving?"—
D. J. Knotts, T. H. Williams.Seventh, "The Laymen's Move-
ment—what is the Purpose and Scope?"
—J. G. Fallaw, C. H. Corbitt.Sermon on Sunday at 11:30 a. m. by
W. C. Baxley or L. T. Carroll.Brethren, these are living, throb-
bing, practical, present-day problems.
We want this to be a live, progressive
missionary rally. We want everybody
who can to come. Lay aside every-
thing and turnout and you will be ben-
efitted. There will be dinner on the
grounds on Saturday. Brethren, the
need is urgent, the call loud, let us
arouse and exert ourselves. Come, be
on time and stay through the meet-
ing.
W. B. Fallaw.

Gaston, March 13.

Devoe Takes Least
Gallons: Always.Paint Devoe; it's the cheapest paint
in the world: never mind the price; it
may or may not be more. Less gallons
will paint the house; and the paint
will outwear anything.Skip wear; you've got to wait, to
find that out. It covers more; you
haven't got to wait to find that out.It's the cheapest of all; no matter
about the price.N. R. Watkins, Lott, Texas, used 13
gallons on his house before; bought 13
gallons Devoe for same house and had
5 left.C. B. Edwards, of Edwards &
Broughton, printers, Raleigh, N. C.,
used 20 gallons paste paint on his
house; bought 30 gallons Devoe for
same house and had 10 left.

That's how.

News Notes From Peak.

Peak, March 21.—To-day at 5 o'clock
p. m. is the first mail we have had
since last Saturday. Without the
whistling of the locomotives our vi-
cinity is comparatively dead. We
have had a very full river, within 2½
feet as full as our last big freshet. The
railroad suffered a great deal, many
big washouts, and trestles carried
away, and big force of hands have
been and are still at work repairing.
Damage to bridges, roads, fences and
stock has been very heavy. One of
our Fairfield neighbors (Mr. Tarboro)
lost 20 head of cattle out of 21, and
others lost heavily.I heard the turtle dove and copped
red bird holler this morning, together
with the old familiar note of "gee haw."
The roads are very bad, almost im-
passable.Our dear old friend, Luther Mayer,
"whose host at mine house is always
welcome," has the good of his neigh-
bors, as well as the stranger, at heart.
He is dragging the highway and put-
ting a good distance of roadbed in
good condition. Luther is clever from
his feet to the top of his head, and de-
serves credit for the deed.We fear the settlements from the high
water will cause much sickness up and
down old Broad river.With regards to the editor and all
connected with the dear old Dispatch.

TIRED RUN-DOWN PEOPLE

A North Carolina Man Suggests
a RemedyGreensboro, N. C.—"For a long
time I was so run down and debilitated
that I could hardly drag around. My
appetite was poor and I could not
sleep nights. I had tried different so-
called tonics without benefit. I was
advised to try your cod liver and
iron tonic. Vinol, and I am so glad I
did, for it gave me a hearty appetite,
I soon commenced to sleep soundly,
and I feel strong, well and more ac-
tive than I have for years. Every run-
down or debilitated person should
just give Vinol a trial." K. Allsbrook.What Vinol did for Mr. Allsbrook
it will do for every weak, run-down or
debilitated person in this vicinity. To
show our faith we will furnish the
medicine free if it does not do as we
claim. Come in and get a bottle on
these terms.
